This is how we stay safe when we use digital devices / technologies:

- I will ask a teacher or suitable adult if I want to use the computers/ tablets or other digital devices.
- I will only use activities that a teacher or suitable adult has told or allowed me to use.
- I understand that my use of websites will be monitored.
- I will take care of all digital technologies.
- I will only access school work within my own folder stored on the school network and ask a teacher or suitable adult if I need to view work elsewhere.
- I will ask for help from a teacher or suitable adult if I am not sure what to do or if I think I have made a mistake.
- I will minimise the screen and tell a teacher or suitable adult if I see something that upsets me on the screen.
- I know that if I break the rules I might not be allowed to use a computer/tablet during that session.
- I will keep all my log-ins and passwords safe and only share them with a trusted adult.
