DANGEROUS PARKING – SCHOOL ROAD

Dear Parents and Carers,

Once again, I must write to request that parents **DO NOT** park on School Road during the school drop off/pick up. This road is clearly marked with double yellow lines on both sides for very obvious reasons. The road is tight and not wide enough to turn around without putting pedestrians on both sides at risk. There are children everywhere and bringing large numbers of cars down here is an accident waiting to happen. This morning, there were **two separate incidents** involving children and cars! I understand that parking is difficult around school but it is absolutely no excuse to put children at risk. I don't know of any schools where you can easily drop off right outside the door. Parking, a short walk, dealing with the rain, getting in on time - all issues that need to be considered and factored into the morning routine as part of parental responsibilities.

I have once again requested for the parking enforcement team to visit as soon as they can. As parents, you can also request them to come – hopefully, if they're inundated with requests, they'll prioritise us and come soon.

CCTV vehicle enforcement | Nottinghamshire County Council

I cannot begin to imagine the impact it would have on our school community if a child was injured, or worse, on the school run. PLEASE park considerately, away from the school to ensure that we are all doing our part to keep our children safe.

Thank you for your support with this very important concern,

Mrs. Leanne Steed

Headteacher
