

A MASSIVE Thank You!

First of all, I'd like to say a huge thank you to everyone who has supported the PTA this year. Whether that is donating your time or sending your children with money for non uniform days or raffles, your support makes a huge difference and enables us to provide the funds for some amazing opportunities that the staff provide.

What have we funded?

- We have donated prizes to the KS1, nursery, Christmas, Halloween and Easter raffles.
- We pay for the DJ for party days and disco days.
- The Nest have had some new resources to use.
- We paid for the chips for the year 6 park visit. The Year 6's also have their end of year party fully funded by the PTA - that's the decorations, bouncy castle, ice cream van and streamers for their very last walk up the hill.
- Year 3 and Year 4 used their money towards their trip to Bolsover and Eureka.
- Foundation used their money towards their trip to the Butterfly House.
- Year 1 and 2 used their money to go towards the wonderful experiences they have had.
- We also organised the Christmas events and provided each class with money for party food, booked Santa and help pay for some of the pantomime.
- We also recently spent some money on playground equipment and bought new games, basketball nets, balls and chalk for the children to use over their playtimes.
- We also managed to buy new bikes for Foundation to enable them to learn to ride pedal bikes.

This is just a snippet of how some of the money you have donated has been spent this year. Your help and generosity doesn't go unnoticed and without you, we couldn't provide these amazing experiences for the children.

What will we fund next year?

We have lots of amazing and exciting plans in place ready for next year. We have already got the DJ booked for discos and plans have already been set for Christmas.

A MASSIVE Thank You!

We've also managed to raise a huge amount to fully pay for an outdoor classroom that will be able to be used by all the classes next year within the woodland area. This is an amazing opportunity and has been made possible through all the fundraising and donations from everyone. We are looking forward to seeing it after it's installation over the summer break.

Please keep supporting us when you can. The £1 donation on non-uniform days helps us to contribute to other projects and hopefully bring the cost of trips and experience down to keep them affordable for everyone!

Thank you again! Have an amazing summer!

Samantha and all at Friends of Holly Hill x
