## Newsletter 24 – Friday 28th March 2025

Anybody else wondering when Easter got to be as crazy as Christmas?? We've had a super busy week in school and have another one planned for next week too!

*We raised £194.50 last week by wearing red for Comic Relief – thank you so much for your support!*

### Parents Evening

As always, it was an absolute pleasure to welcome you all to parents evening this week. We had two very well attended evenings and it was great to share how well the children are doing with you all. If anyone missed out on attending, please don't hesitate to get in touch and we'd be more than happy to arrange to see you as soon as we can.

### Fabulous footballers

Our football team are on a roll at the moment with another win on Thursday night against Brinsley. A last-minute goal from Morgan was well deserved as the boys had dominated throughout and just couldn't quite score. It came eventually though – much to the home crowds delight! Well done boys – you were brilliant and I do love it when we beat one of the local schools!

### Mothers day raffle

A huge thank you to everyone for supporting our Mothers day raffle this week. I'm not going to list the winners as I know they want to keep it a surprise but they have been given their prizes today to bring home for Mothers day - they may be hiding them! All the money raised will go into the Friends of Holly Hill pot so they can continue their work supporting the 'extras' provided for the children throughout the year.

### Cake sale

On Thursday next week, pupil council and our Midday Supervisors are holding a cake sale to raise money for lunchtime equipment. This idea has come from the children and we really hope we can make it a great success for them. Cakes will be on sale from a starting prize of 50p. We would also gratefully receive any cake donations (baked or faked), if you are able to and would appreciate these being sent in on the Thursday morning. Good luck pupil council!

### 2 litre pop bottles?

One of our Year 4 children is going to try and build his own greenhouse during the Easter holidays but needs 200 x 2 litre pop bottles to do so! If you have any that you could drop into school, he would be extremely grateful.

**Weighing and measuring for FS2 and Year 6**
