Swimming gets started!

Swimming lessons have got off to a brilliant start this week for our KS2 children. The swimming teachers have commented on how well behaved the children have been in their lessons and what a fabulous school Holly Hill is to work in – tell us something we don't know! We're so proud of the children for being super independent when getting ready for the pool and enjoying their lessons with so much enthusiasm. A huge thank you to parents for supporting with kits and towels – I know that this is an extra thing to remember every week!

If anyone has any spare swimming shorts, costumes or sliders/flip flops/crocs that their children have outgrown, we would be very grateful of any donations. We have spare towels and swimming hats but struggle to gather the other bits if a kit has been forgotten. Please drop any donations into the office and I'll make sure it all gets put together in the changing room. I do take everything home to wash each week as well.

Early Excellence came to visit

This week we worked with a company called Early Excellence to showcase our beautiful new Early Years setting to local schools as well as being provided with an opportunity for training from Early Excellence for our team. This was a huge success and everyone was extremely complimentary of our setting and our fabulous children!

The week ahead...

- Nothing in the diary this week – enjoy the calm while it lasts!

Have a lovely weekend – thank you for your continued support.

Mrs. Leanne Steed

Headteacher
